24v mobile energy storage power supply

Overview

What is a 24V power supply?

Custom Electronics manufacture a robust range of 24V power supply units. These power supplies feature a high quality metal housing which enables a backup sealed lead acid battery to be concealed for a standby power backup supply. These power supplies are manufactured in their manufacturing facility based in the North East of England.

Where can I find information on 24V power supply units?

For more information on 24V Power Supply units call us NOW on 01200 428 410. The Safety Centre offers a huge range of 24V Power Supply Units including Custom Electronics fully monitored and C-Tec door magnet release power supplies. Furthermore we provides the EN54 compliant power supplies from Eldeme and C-Tec.

What is a must portable power station?

MUST portable power stations are battery-powered generators that keep your gear charged up and ready wherever you are. From family camping to home backup, get yourself convenient power without the noise, fumes, and fuss of a traditional gas generator. Discover the perfect energy solution tailored for diverse living spaces.
