# **Abu Dhabi Energy Storage Power Station Operation and Maintenance Company**

## Overview

---

Will Masdar & EWEC build a solar-plus-storage project in Abu Dhabi?

Masdar and Emirates Water and Electricity Co. (EWEC) plan to build a \$6 billion, 5 GW/19 GWh solar-plus-storage project in Abu Dhabi, the United Arab Emirates, with operations set to start by 2027. Emirati state-owned renewable investment company Masdar is partnering with EWEC to build a giant solar and battery energy storage (BESS) facility.

Who is Abu Dhabi future energy company PJSC (Masdar)?

In 2006, the UAE government established Abu Dhabi Future Energy Company PJSC (Masdar) to leverage and build on the UAE's expertise and leadership in the global energy sector, while supporting the diversification of its economy and energy sources for the benefit of future generations.

Where is the Masdar battery project located?

The Masdar battery project will be based in Abu Dhabi at an undisclosed location.

Does EWEC have a large-scale solar project in Abu Dhabi?

EWEC has several large-scale solar projects in the region, including the 2 GW Al Dhafra solar project in Abu Dhabi. Earlier this month, it put out a request for proposals for 1.5 GW of solar.
