Abuja Modular Uninterruptible Power Supply

Overview

Where to buy uninterrupted power supply in Nigeria?

In Nigeria, where there is a regular power outage, an Uninterrupted Power Supply (UPS) is very necessary. You can buy an Uninterrupted Power Supply from Power Solution Mall. We have a number of UPS varieties from different brands.

What is UPS and how does it work in Nigeria?

UPS, or Uninterrupted Power Supply, is a powerful solution that helps keep the power on for a particular period during power outages. In Nigeria, where power outages are common, an Uninterrupted Power Supply is essential.

What is uninterruptible power supply (UPS)?

Powercell Limited, in partnership with ABB, is proud to deliver a full suite of Uninterruptible Power Supply (UPS) solutions designed to protect mission-critical operations across Africa. By the end of 2025, this project is set to add 25 megawatts of renewable energy capacity, directly improving the quality of life for millions of Nigerians.

What is an Uninterrupted Power Supply (UPS)?

An Uninterrupted Power Supply (UPS) is equipment that provides power in cases of emergency, especially when the power from the main source fails. It also works to protect equipment from power surges and provides electricity to equipment till when the main power comes back.
