Wholesale Solar Inverters For Sale Why Inverter For PV Systems? Types of Solar Inverters String Inverters Power Optimizers Microinverters Why Buy Wholesale Solar Inverters from Us? There are mainly three types of solar inverters -- string inverters, micro-inverters, and power optimizers. All these inverters have a different system. However, they have the same function, which is collecting DC power from batteries and convert into AC, though with different levels of efficiency. As a solar installer, you can guide your customers, See more on solarfeeds OKorder
