Asia Communications 5G Base Station Subsidy

Overview

Does OFCA offer a 5G subsidy scheme?

OFCA has launched a subsidy scheme to help mobile network operators install 5G base stations in rural and remote areas.

What is the 5G subsidy scheme?

Launched in July 2025 and managed by the Office of the Communications Authority ("OFCA"), the Subsidy Scheme to Extend 5G Coverage in Rural and Remote Areas ("Scheme") provides financial support to MNOs.

Who do I contact if I need a 5G subsidy?

For enquiries, please contact OFCA at 2961 6333. The Office of the Communications Authority (OFCA) today (July 7) launched the Subsidy Scheme to Extend 5G Coverage in Rural and Remote Areas. Interested licensed mobile network operators.

Why is 5G not available in rural and remote areas?

As customer demand in these areas is relatively low, mobile network operators ("MNOs") may lack the commercial incentive to expand their mobile network infrastructure in these areas, resulting in less satisfactory 5G service in some rural and remote areas.
