

**NKOSITHANDILEB SOLAR**

# **Bahamas 12v300ah solar container battery**

## Overview

---

What is a 12V 300ah battery?

12V 300Ah rechargeable, lithium drop-in replacement battery that can solve most power source needs. Longer-lasting, more lightweight and safer than lead-acid.

What is a RB300 battery?

Our RB300 is a lithium iron phosphate battery that's ready to replace your heavy lead-acid battery bank in your sailboat, RV, or solar energy system. It's only 76 lbs. for a true 300 Amp Hour lithium battery that provides 100% of its rated capacity.

What is a marine battery?

The compact design has a higher energy of 3840wh, which is very suitable for caravan off-grid living layout, easy to carry and install Excellent Performance: the marine battery is made of A-grade cells with higher energy density, low self-discharge rate and low capacity loss.
