Belmopan Container Shelters Wholesale

Overview

What is an allshelter container shelter?

Allshelter container shelters consist of heavy-duty polyethylene fabric, tensioned over a curved steel framework creating a permanent, yet relocatable, shelter suitable for most applications across mining, construction, industry, waste management and aviation. We are trusted by the very best.

What is a container fabric shelter?

Compared to traditional brick, mortar and steel structures, container fabric shelters are cooler, naturally brighter, lower cost, installed faster and can be economically relocated. With little or no site preparation, and simple installation onto shipping containers, the Allshelter container covers are super-fast to install.

How do I contact allshelter container shelter?

Contact us on +1 888 481 3889 to chat to an container shelter expert. Allshelter Container Shelters are temporary & relocatable by definition but designed & engineered to be permanent. Supplying Container Shelters all across North America, Allshelter Container Shelters are engineered to rigorous state and county wind and snow loads.

How do I find a container shelter solution for my site?

We'll help you find the perfect container shelter solution for your site. Contact us on +1 888 481 3889 to chat to an container shelter expert. Allshelter Container Shelters are temporary & relocatable by definition but designed & engineered to be permanent.
