

NKOSITHANDILEB SOLAR

Biolite solar container outdoor power

Overview

Does BioLite sell solar panels?

BioLite also sells products that can generate and store electricity for USB devices. They make the SolarPanel 5+, the SolarPanel 10+, and the Charge 20, Charge 40, and Charge 80. The SolarPanels are both solar panels with a "kickstand", with the "+" model including an internal lithium-ion battery for energy storage.

How much does backup by BioLite cost?

Reserve Backup By BioLite for just \$100. For every BioLite product sold, a person living in energy poverty gains access to safe lighting and charging. To date we've impacted the lives of over 15 million people. Sign up for the BioLite newsletter. Copyright 2025 BioLite. All rights reserved. I'm Nicolas, a Liberty Skis expert.

How does BioLite help people living in energy poverty?

For every product sold, a person living in energy poverty gains access to safe lighting and charging through BioLite. To date, we've impacted the lives of 14.6 million people - and we're just getting started. Designed to be charged up during the day and put to use when the sun goes down.

What temperature can a BioLite unit operate in?

Unit will not operate in temperatures below -4°F (-20°C) or above 140°F (60°C). For every product sold, a person living in energy poverty gains access to safe lighting and charging through BioLite. To date, we've impacted the lives of 14.6 million people - and we're just getting started.
