# **Canada Toronto lead-acid solar container battery manufacturer**

## Overview

---

Where can I buy a battery in Canada?

Canadian supplier of sealed lead acid, lithium iron and lead carbon batteries. Canbat is also the master distributor of Victron Energy and Rich Solar products in Canada. Free shipping to anywhere in Canada and the United States.

Where can I buy a sealed lead acid battery?

US Address Email: [sales@upsbatterycenter.com](mailto:sales@upsbatterycenter.com) (en français) Lead Acid Batteries in Toronto. High quality new sealed lead acid batteries for uninterruptible power supplies. Call us today at 416-848-7755 to get the sealed lead acid battery you need.

Who makes CANBAT batteries?

Canbat is a Canadian battery company specializing in deep cycle and backup applications. Our line of products include sealed lead-acid (SLA), lithium iron phosphate (LiFePO<sub>4</sub>) and lead-carbon batteries. We also manufacture lithium battery chargers and power converters, primarily used in the RV market.

What is a CANBAT lead carbon battery?

Canbat lead carbon batteries are designed with PSOC compatibility for ultra-fast charging capability, efficiency and more than three times as many cycles as standard AGM batteries. They are a great upgrade from lead acid and are more cost effective than lithium. Lead carbon batteries are offered in two main formats: front terminal and top terminal.
