# **Cape Town Energy Storage solar Company**

## Overview

---

Why did solar MD open its first gigawatt factory in Cape Town?

Solar MD officially opened Africa's first gigawatt factory in Cape Town to support the company's commitment to developing and manufacturing high-performance energy storage solutions that maximise the potential of renewable energy resources.

What is solar & storage live Cape Town?

REGISTER FOR FREE Solar & Storage Live Cape Town offers you a unique opportunity to connect with a large and exceptionally senior audience. It provides meeting spaces, networking opportunities as well as sponsorship/exhibition opportunities to meet your companies specific marketing and business development needs.

What is solar & storage live?

Solar & Storage Live is Cape Town's largest renewable energy exhibition that celebrates the technologies at the forefront of the transition to a greener, smarter, more decentralised energy system. Industry leaders come together to share their expertise on key topics in the field across 2 action-packed days.

Who is treetops solar?

Treetops has established itself as a leading Solar Company in Cape Town since 2010. We are thriving for excellence every day and are looking forward to what the next years have in store for us! Treetops Renewable Energy Systems is run by a German-South African family team: Stefan Ortmann, Helen Ortmann and Martin Pollack.
