

NKOSITHANDILEB SOLAR

Cape Town Solar Energy Storage Company

Overview

Who is Capetown solar?

At CapeTown.Solar, we specialize in empowering homeowners across Cape Town and the Western Cape with reliable, sustainable, and cost-effective solar solutions. At CapeTown.Solar, we specialize in empowering businesses throughout Cape Town and the Western Cape with reliable, scalable, and cost-effective commercial solar solutions.

Why did solar MD open its first gigawatt factory in Cape Town?

Solar MD officially opened Africa's first gigawatt factory in Cape Town to support the company's commitment to developing and manufacturing high-performance energy storage solutions that maximise the potential of renewable energy resources.

Who is treetops solar?

Treetops has established itself as a leading Solar Company in Cape Town since 2010. We are thriving for excellence every day and are looking forward to what the next years have in store for us! Treetops Renewable Energy Systems is run by a German-South African family team: Stefan Ortmann, Helen Ortmann and Martin Pollack.

Why should a business invest in solar and battery energy storage?

By integrating solar and battery energy storage, optimising energy efficiency, and advising on carbon offset strategies, we enable organisations to lower emissions, cut energy costs, and enhance sustainability credentials. Smart energy solutions for forward-thinking businesses.
