# **Cape Town bifacial solar panel manufacturer**

## Overview

---

Who makes solar panels in South Africa?

ARTsolar is South Africa's only locally owned solar panel manufacturer. Shop online for world class solar panels, solar inverters, solar batteries and more. The company specializes in manufacturing solar panels and offers comprehensive services, including design, supply, and installation of turn-key solar solutions for various markets.

What is a residential solar battery system in Cape Town?

A Residential Solar Battery System in Cape Town enables you to operate independently from the grid for 6 to 8 months of the year. It consists of Solar Panels, an Inverter and a Lithium Battery.

Why should you choose a bifacial solar panel?

Its bifacial design generates up to 30% more energy, while the certified safety standards and  $\pm 3\%$  power production tolerance ensure reliable output. Easy to handle and install with a 25-year warranty, this sustainable, cost-effective panel reduces your carbon footprint and energy costs. Order now to enjoy clean, renewable energy.

Which bifacial solar panels are best?

Presenting the 650W Five Star Mono Double Glass Bifacial Solar Panel – a standout choice thanks to its innovative bifacial design, which boosts efficiency and performance for both homes and businesses. Meeting rigorous safety standards, this solar panel features a power production tolerance of  $\pm 3\%$ , ensuring reliable energy output.
