## Overview

---

Where to buy a home battery?

Design engineers or buyers might want to check out various Home Battery factory & manufacturers, who offer lots of related choices such as lifepo4 battery, lithium battery and lithium ion battery. You can also customize Home Battery orders from our OEM/ODM manufacturers. They are experienced China exporters for your online sourcing.

How much does a battery cost in China?

For the first time, battery pack prices of less than \$100/kWh have been reported. These were for batteries in e-buses in China. While these were the lowest reported price, the volume-weighted average price for e-buses in China was slightly higher, \$105/kWh. Battery electric vehicle (BEV) pack prices are \$126/kWh on a volume-weighted average basis.

Is battery shop based in China?

JUST STAY AWAY FROM THIS COMPANY. AVOID - Be warned, They WILL let you down. AVOID! THE WORST EVER! battery-shop.co.uk is based in China and they will not deliver. I have waited over 6 weeks and still nothing! I contacted customer service and they said that the parcel was involved in an accident.

What is a home battery?

The Home Battery is a key item within our extensive Storage Battery selection. Storage batteries come in various types such as lead-acid, lithium-ion, and nickel-cadmium. Each type offers different performance characteristics and applications. A reliable supplier in China can help you choose the right type for your projects.
