China upgrade circuit breaker in Mozambique

Overview

A team of Ningbo Jecsany engineers recently traveled to Mozambique to install and train vacuum circuit breakers for the local power system to improve the reliability and security of the power grid. Will Mozambique's 2024 post-election unrest lead to deeper trade integration?

Recent developments, such as China's zero-tariff treatment for 100% of Mozambican tariff lines starting December 2024, signal deeper trade integration. However, Mozambique's 2024 post-election unrest disrupted Maputo Port, delaying \$100 million in exports to China, underscoring the need for stability.

Why is Mozambique a key partner in China-Africa Cooperation?

As a key partner in China's Belt and Road Initiative (BRI) and the Forum on China-Africa Cooperation (FOCAC), Mozambique leverages its resource wealth and strategic Indian Ocean coastline to attract Chinese investment, while China seeks raw materials and market access.

Does China support Mozambique's independence struggle?

Dating back to the 1960s, when China supported Mozambique's independence struggle, their ties have evolved into a Comprehensive Strategic Cooperative Partnership (2016), emphasizing trade, infrastructure, and development cooperation.

Will Mozambique participate in China-Africa Economic & Trade Expo?

“With China we have very strong bilateral cooperation,” he said this week at a press conference to announce Mozambique’s participation in the 3rd China-Africa Economic and Trade Expo, scheduled for 29 June to 2 July in the Chinese city of Changsha.
