Overview

Where can I buy a pure sine wave inverter?

Goscor Power Products stocks a wide range of inverters for sale right now. We have pure sine wave inverters that will meet your requirements and are perfect for off-grid applications. Get the best deal on an inverter that meets your specific needs by contacting our team today.

How do inverters work in South Africa?

Inverters are the perfect off-grid energy solution for many South Africans that need several devices and appliances to be run during times when the electricity is off. Inverters work by changing direct current (DC) into alternating current (AC) which can then be used by a variety of appliances in the home.

Are xindun solar inverters OEM/ODM acceptable?

OEM/ODM is acceptable. Xindun has passed ISO9001 certification, solar inverters and solar controllers have passed CE certification. 6 experienced QC charge of every step of production 24 hours simulation run before delivery. 30000 hours of trouble-free operation dc to ac inverters. 3 years warranty for inverters, solar controllers, ups.
