# Energy storage mobile charging pile in Penang Malaysia

## Overview

---

Where is the largest EV charging hub in Penang?

ChargEV is currently deploying an EV charging hub located at Centre of Excellence (COE) Cell Agritech and it is expected to be the largest in Penang. Located in Seberang Jaya, the new EV charging location is about 5km away from the Penang Bridge Toll Plaza.

Where are EV charging hubs located in Malaysia?

Located in Seberang Jaya, the new EV charging location is about 5km away from the Penang Bridge Toll Plaza. With more EVs hitting the roads, there's a growing need for large scale EV charging hubs in Malaysia.

Where is powerbee EV charging hub in Penang?

Besides this ChargEV location, Powerbee has recently announced a new EV charging hub in Penang that's launching later this year. Located at Design Village Outlet Mall (BVOM) in Batu Kawan, the new Powerbee charging hub will feature a 120kW DC charger with two CCS2 nozzles and 12 charging bays with 22kW AC charge points each.

Does Penang have EV charging options?

P-Up drives to you. Penang may not yet rival Klang Valley's EV ecosystem, but it's catching up fast. With a mix of DC fast chargers, Tesla-exclusive options, and mall-based AC chargers, there are plenty of charging opportunities—especially if you plan your day around shopping or errands.
