Free Consultation Available for 20ft PV Storage Containers in the UK

Overview

Which storage containers are used for UK based storage purposes?

Whilst many containers remain in shipping use the vast majority are used for UK based storage purposes (see our 20ft self storage container with a bamboo floor – ideal for self-storage companies).

Which shipping containers are available for sale?

20ft containers are the most popular shipping containers that we offer for sale. All our new 20ft shipping containers are plated for shipping and most of our used 20ft containers can be inspected and issued with a CSC plate before sale. Buy online or contact us for advice.

What are new shipping & storage containers?

New containers are sometimes known as ‘one-way’ or ‘once shipped’ containers. New 20ft or 6 metre shipping & storage containers are our most popular container, their size can be compared roughly to a single garage so they have plenty of room! 20ft containers can be used for storage or shipping and are available anywhere in the UK.

What is a used 20ft container?

Used 20ft containers have been owned by a number of years by a shipping line who have used the containers on a number of occasions to ship goods around the UK. A used 20ft container enters the market when the contract with the leasing company has expired.
