Overview

Get in touch with our team to discuss your project, or request a free consultation to explore custom packaging solutions tailored to your needs. What is a large bulk container with fixed walls?

ORBIS offers a variety of large bulk containers with fixed walls. Designed to hold 900 kg and to replace wire baskets, these robust containers are built for long-lasting durability in heavy-duty applications. Our large plastic bulk containers are suitable for:

What is a large plastic bulk container suitable for?

Our large plastic bulk containers are suitable for: With high load capacities and a durable all-plastic design, ORBIS reusable bulk containers are designed to store and transport heavy-duty parts in automotive supply chains. Our XXLPaks can protect even large and bulky items during storage and transportation.

How much weight can a large bulk container hold?

At the same time, the large FLCs hold up to 900 kg. With a return ratio of up to 1 : 2,6, the collapsible bulk containers optimise space utilisation during storage and return transport. You can choose from multiple footprints, heights, door configurations and labelling options in order to adapt our large bulk containers to your supply chain needs.

Do folding crates and containers collapse when empty?

Our Folding Large Containers collapse when empty, offering space and fuel savings on return journey transportation. These plastic collapsible crates and containers also offer excellent internal capacity and are very sturdy, so will not collapse during use. Browse our range of Folding Pallet Box Crates and Containers.
