

NKOSITHANDILEB SOLAR

Georgetown solar Inverter Energy Storage Company

Overview

Who is Tu Energy Storage Technology (Shanghai)?

Safe operation and system performance optimization. TU Energy Storage Technology (Shanghai) Co., Ltd., founded in 2017, is a high-tech enterprise specializing in the research and development, production and sales of energy storage battery management systems (BMS) and photovoltaic inverters.

Where is GreenPower located?

GreenPower is located at Building D2, No. 6000 Shenzhuan Road, Songjiang District, Shanghai, China. They focus on power station, lithium solar battery, energy storage system, and provide standardized & customized products and solutions.

What is BMS + industrial and commercial energy storage inverter?

The complete set of energy control solutions of "BMS + industrial and commercial energy storage inverter" is suitable for industrial parks, backup power, photovoltaic storage, wind storage and other application scenarios to ensure the safety of industrial and commercial battery systems. Safe operation and system performance optimization.

Where is the 2gwh intelligent factory located?

The 2GWh intelligent factory, located in the Intelligent Manufacturing Industrial Park of Fuzhou, Jiangxi Province, has a workshop of 10,000 square meters and possesses a 2GWh energy storage module integrated production line, with the characteristics of automation, data-driven, and flexible production.
