Hanoi Solar Tiles

Overview

Where can I find a rooftop solar contractor in Hanoi?

They primarily specialise in investment focused rooftop and developer rooftop solar projects, while also offering general contractor services such as project implementation, operation and maintenance of rooftop solar power projects. Address: No 23, BT3, Phap Van-Tu Hiep, Hoang Liet, Hoang Mai, Hanoi City.

Does Vietnam have a rooftop solar market?

The rooftop solar market in Vietnam has witnessed remarkable growth, with the total capacity for solar power reaching approximately 16,567 MW by the end of 2022. Notably, rooftop solar alone contributes over 9,000MW to this figure, underscoring the significant role of rooftop installations in the nation's renewable energy portfolio.

Who are the major players in Vietnam's rooftop solar market?

The major players in Vietnam's rooftop solar market include local companies such as SolarBK, TTC Group, and Sao Mai Group, alongside international firms like SunPower and First Solar. Their involvement is crucial to the market's growth and development. Head of Business Development | HR & Payroll Services at InCorp Vietnam.

How to unlock Vietnam's rooftop solar potential?

Policies like feed-in tariffs and power agreements boost rooftop solar by ensuring returns and easing rules. Challenges like low awareness, regulatory gaps, and grid issues must be addressed to unlock Vietnam's rooftop solar potential.
