# How much does an uninterruptible power supply cost in Beijing

## Overview

---

Should you buy an uninterruptible power supply?

When load shedding occurs, the question of whether to buy an uninterruptible power supply (UPS) becomes a popular topic among consumers and small businesses. However, if you've attempted to purchase a UPS, you may have encountered technical terms and hardware features that are confusing.

Is there a power supply gap in Beijing?

Beijing is set to conduct a series of scheduled power outages that will cover multiple districts, information showed on the official website of the State Grid Corporation of China (SGCC). SGCC in Beijing replied on Tuesday via its official social media account that there is no power supply gap across power grids in the capital.
