

NKOSITHANDILEB SOLAR

London brand home solar lights

Overview

Where can I buy solar lights in the UK?

Making Solar Lights That Work. Solar Centre is the UK's leading solar lighting retailer. Secure shopping, great prices and Free UK delivery.

Are solar lights good for your garden?

Solar lights are environmentally friendly lighting and with a good set, you can create an ambience that lets you enjoy your garden long after dark. Powered by solar panels, they absorb daylight and convert it to electrical energy, charging your lights so they're ready to go at night.

Are solar post lights a good choice?

We've tested solar post lights, too. Both of our Best Buys – the Suri 365 London XT Solar LED Post Light and the Suri 365 Dartington Solar LED Stake Light – are bright enough to pick out a path down your garden and will last into the early hours of the morning, even after the shortest day of sunlight.

Are best buy solar lights a good choice?

However, all five of our Best Buy solar lights score an impressive 100% and will easily make it through the cold season. All you need to do is pick between the colour and number of bulbs you're looking for. We've tested solar post lights, too.
