What is a mobile pool?

A mobile pool is a fully functional swimming pool built on a trailer for easy transport and rapid deployment. It's a modular pool unit, perfect for sports training, water therapy, swim lessons, or promotional events. Instead of building a permanent pool, you can take your mobile swimming pool anywhere.

Where can you take a mobile swimming pool?

Instead of building a permanent pool, you can take your mobile swimming pool anywhere. Urban events, rural communities, or coast-to-coast tours. Whether you're organizing a swim clinic, hosting an event, or running a mobile aqua therapy program, a mobile swimming pool truck lets you bring the pool to the people.

What is the rolling-deck® mobile swimming pool deck?

A new solution for all swimming pool and hot tub owners - the Rolling-Deck® mobile swimming pool deck. Piscinelle has revolutionised the concept of decks, covers, protection, and even swimming pool safety by inventing the Rolling-Deck®!.

What is an expandable mobile pool trailer?

Imagine a mobile pool that can be set up in minutes for swim training, water therapy, competitions, or unforgettable event experiences. With the Expandable Mobile Pool Trailer, you can take aquatic experiences on the road and bring swimming to any location.
