

**NKOSITHANDILEB SOLAR**

# **Naxin New Energy solar container lithium battery Pack**

## Overview

---

Who is extrasolar new energy?

Extrasolar New Energy is a Lithium battery, LiFePO4 battery, NCM battery, battery pack, and energy storage system manufacturer in China.

Who makes battery energy storage system?

NPP New Energy Co., Ltd – the World’s Leading Manufacturer of battery energy storage system was established in 2002, with 4 factories in China and 1 overseas factory in Vietnam.

What are NPP lithium batteries used for?

NPP Lithium batteries are commonly used in UPS Backup, Marine, Telecom, Electric vehicles, Golf Cart applications, Outdoor power supply, PV energy storage, etc.

What is a wall or floor-mounted lithium battery pack?

Wall or floor-mounted lithium battery packs feature an advanced Battery Management System (BMS) that elevates system efficiency and extends the battery’s lifespan while prioritizing safety. A portable and replaceable power supply battery is useful and essential for electric appliance when outdoor camping, self-driving travel or emergency situation.
