

**NKOSITHANDILEB SOLAR**

# **Nigeria DC Uninterruptible Power Supply Company**

## Overview

---

Who makes ups & power protection equipment in Nigeria?

We supply, install and maintain some of the best brands of UPS and Power Protection Equipment in Nigeria through its partnership with world leading manufacturer (MAKELSAN). We supply, install and maintain some of the best brands of UPS and Power Protection Equipment in Nigeria.

What is an uninterruptible power supply?

An uninterruptible power supply, also uninterruptible power source, UPS or battery/flywheel backup, is an electrical apparatus that provides emergency power to a load when the input power source or mains power fails.

Where can I buy ups in Nigeria?

At Penz Nigeria Limited you can buy UPS units that range in size from units designed to protect a single computer without a video monitor (around 200 volt-ampere rating) to large units powering entire data centers or buildings.

What is a ups power supply & how does it work?

Our UPS power supply provides protection from power surges, load shedding and unpredictable weather conditions. Uninterruptible Power Supply (UPS) ensures its internal battery gets constantly charged from the main electrical grid supply and delivers a steady, consistent electricity flow to any equipment or appliance plugged into it.
