Nordic Exhibition Battery Cabinet Technology

Overview

What is the Nordic Battery Expo?

The expo features over 50 exhibitors and 25 presentations from industry leaders, providing extensive networking opportunities for professionals across the Nordic battery value chain. Location: Gothenburg, Sweden.

What are the Nordic battery days?

The Nordic Battery Days are organized jointly by Nordic Battery Collaboration (Finland, Norway and Sweden) and will take place over four days.

What is Nordic battery collaboration?

Nordic Battery Collaboration led a Nordic battery delegation, attending The Battery Show in Michigan. As part of the event, we hosted a networking event, connected Nordic companies with US partners through a matchmaking service, and showcased innovations and technology from across the battery value chain.

Who organizes the Nordic battery collaboration event?

The event is organized by the Nordic Battery Collaboration which is supported by Nordic Innovation under the Nordic Growth and Capital Attraction program. Nordic Innovation will use the information you provide in this form to be in touch with you and to provide you with news and updates on our activities and events.
