Off-site pricing for African folding containers

Overview

What sizes of shipping containers are available in South Africa?

We offer a wide selection of shipping and storage containers for sale and rental across South Africa, including 8ft, 10ft, 20ft, and 40ft containers. If you require a customized container office or a container lock box, we can provide those as well.

What factors affect the cost of shipping containers in South Africa?

Several elements impact the cost of shipping containers in South Africa:
Condition: New containers are more expensive than used ones. Refurbished containers offer a middle ground in terms of price and quality. Size: Larger containers (40ft) typically cost more than smaller ones (20ft), but they offer better value per cubic meter.

What is a foldable container?

The foldable design saves space and reduces transport costs. Strong, secure, and easy to install, it suits various temporary uses. A modular, collapsible structure designed for easy assembly and disassembly. The container is stackable & Easily transportable. The design expands space for comfort and versatility.

Where can I buy a shipping container?

Flat pack offices and chemical stores also available. Tripco Containers is a trusted name in the industry, offering a wide range of new and second-hand shipping containers. Our top priority is customer satisfaction, and we strive to provide only quality containers for storage and batching plants, accompanied by high standards and a guarantee.
