Outdoor base station wind power company

Overview

Why is WOM launching the offshore wind power dual-base?

The commencement of the offshore wind power dual-base signifies that WOM will join hands with Shanghai Electric and its partners to fully leverage its aggregation advantages in marine engineering, R&D and manufacturing of new energy equipment, and promote the construction of offshore wind power and new energy industry.

What is a wind turbine company?

The business of the company covers intelligent design and manufacturing of wind turbine Generators, intelligent operation and maintenance of wind farms, wind resource evaluation, digital wind farm investment and development, management of wind farm assets, intelligent energy and etc.

Why is Shanghai Electric wind power group seeking a partnership?

Mr. Wu Gai, Vice President of Shanghai Electric Wind Power Group, noted that: "Facing the historical opportunity that China is giving strong support for the development of new energy, Shanghai Electric Wind Power Group is actively seeking a partnership with first-class enterprises at home and abroad.

How can WOM expand the wind power market?

Mr. Li Zhiyong, Senior Vice President of WOM, said: "It is a great honor to reach strategic cooperation with Shanghai Electric. Shanghai Electric's rich experience and resource advantages in design, manufacturing, O&M, and wind farm evaluation in the wind power industry are very helpful for WOM to expand the wind power market.
