

## NKOSITHANDILEB SOLAR

# Portugal solar container communication station battery outsourcing

Single Phase Hybrid

-  5 Year Warranty Period
-  9 Year Global Leading Inverter Brand
-  Top 3 World Single Phase PV Inverter Supplier

## Overview

---

Will a 5 mW 20 MWh battery storage system be built in Portugal?

Galp, a Portuguese energy company, has announced plans to build a 5 MW/20 MWh battery storage system in Portugal, in collaboration with Powin. The system at one of Galp's solar plants will enable it to adjust its PV production profile and meet its energy requirements. This project marks Powin's first venture in Europe.

Is powin launching a battery energy storage system in Europe?

This project marks Powin's first venture in Europe. Global energy storage supplier Powin LLC and Portuguese integrated energy company Galp have partnered to install a utility-scale battery energy storage system (BESS) in Algarve, Portugal. The 5 MW/20 MWh battery system will be built at one of Galp's solar power plants near the village of Alcoutim.

How much solar power does Portugal have in 2022?

Portugal's cumulative PV capacity hit 2.59 GW at the end of 2022. It aims to install 20.4 GW of solar by 2030. The country has set a goal of at least 80% of electricity production coming from renewable sources by 2050. In November, it enjoyed a weekend of being powered solely by renewables.
