**2MW / 5MWh  
Customizable**

## Overview

---

How do I get a container shipping quote online?

With Quick Quotes, you can generate an online container shipping quote in just 30 seconds. All you need is access to our Online Business Suite to get started. Find competitive ocean and inland rates to 600 ports worldwide. Select from multiple container types and commodities including dangerous goods cargo.

What is the freightify container shipping calculator?

The Freightify container shipping calculator is a shipping tool that collects the details of the container, including origin, destination, and other information. The calculator then leverages a collection of data points across multiple sources to consider all relevant factors and new policies that could impact the container shipping rate.

What is a container shipping calculator?

The container shipping calculator applies CIF basics plus drayage, bunker, and documentation fees, then displays available sailings for quick reservation. Users can also reference a CBM calculator to ensure precise cargo volume for accurate pricing and planning of international container shipping.

Does iContainers provide a quick quote?

The ability of iContainers' platform to provide a quick quote exceeded my expectations. It looked very simple, but at the same time it was exactly what we were searching for. Calculate shipping costs effortlessly with iContainers user-friendly online calculators. Obtain instant quotes and plan your freight shipments efficiently.
