# **Royu circuit breaker factory in Us**

## Overview

---

Are Royu circuit breakers safe to use?

ROYU offers circuit breakers that are Bureau of Philippine Standards (BPS) approved and safe to use. They are flame retardant, have better heat dissipation, and come with short circuit protection.

Who is Royu Industrial Corporation?

Royu Industrial Corporation is an affiliate of Firefly Electric and Lighting Corporation (FELCO), a leading lighting, electrical and power solutions company in the Philippines, and owners of the powerhouse brands Firefly Lighting and Royu Wiring and Electrical Devices. FELCO also distributes Schneider and Chint products in the Philippines.

Why should you choose Royu wires & cables?

Using only 100% virgin copper in its products, a smooth nylon outer finish, and a Dual-Insulation Technology, Royu Wires and Cables soon after gained market acceptance and prominence due to its quality, safety and market-competitive pricing.

What makes Royu a good brand?

Armed with licensed mechanical and electrical engineers, state of the art equipment from Germany, and a local manufacturing facility in Metro Manila, customers can be reassured of the quality, attention to detail, and competitive price that is befitting the Royu brand.
