San Jose Home Storage Subsidy

Overview

How much is a storage unit in San Jose CA?

Browse storage units in all California cities. How much is a storage unit in San Jose, CA?

The average price for a self storage unit in San Jose, CA, is now \$194 per month. Street rates can differ based on unit sizes, type of service, location and overall demand in the area.

What factors affect the price of self storage in San Jose?

The price of self storage in San Jose is influenced by several factors, including the size of the storage unit, its location within the city, availability of features such as climate control, security measures, and the duration of the rental period. Determining the appropriate self storage unit size in San Jose is also an important consideration.

How much does a climate controlled storage unit cost in San Jose?

The average cost of a climate-controlled storage unit in San Jose is \$160 per month. RVing fans in San Jose have great locations they can drive to for outdoor parking of their motorhomes, caravans, and fifth-wheel trailers, as well as indoor unit options.

What is a non-climate-controlled self storage unit in San Jose?

Non-climate-controlled self storage units in San Jose are great for belongings that aren't sensitive to heat or temperature, such as gardening tools, plastic patio furniture and kitchen items. They can be outdoor units, which typically means you have drive-up access to them, or situated indoors.
