Solar power station for sale in Namibia

Overview

How many power stations does Namibia have?

NamPower has four power stations: Currently, Namibia imports most of its electricity from South Africa and other countries in the region. A special arrangement between NamPower and Eskom, the South African Power utility, enables Namibia to buy and utilise the surplus energy from SA at affordable rates.

Where can I buy a solar power system in Windhoek?

SWH, Photovoltaic, SHS, Energy Efficient Appliances; wind. Renewable. Ohangwena. Tel: 220743, Fax: 255660, No. 2 Ruhr St, Northern Industrial Area, P. O. Box 24749 Windhoek. SWH, Photovoltaics, SHS, EE appliances, torches, lanterns, chargers. Tel: 061 271590, Fax: 061 271591, 1264 Goudsnip St. Hochland Park, Windhoek.

Why should Namibia invest in a mega solar project?

This mega solar project will support Namibia's efforts to enhance its renewable energy infrastructure and is expected to greatly contribute to the country's general electricity supply security and also its sustainability goals.

Did NamPower sign an EPC contract with China?

NamPower, on Monday did signing on the engineering, procurement, and construction (EPC) contract with a Chinese joint venture for the development of Namibia's Largest Solar Plant project, the 100MW Rosh Pinah Solar PV Power Plant.
