

NKOSITHANDILEB SOLAR

St George 660W solar panel manufacturer

Overview

Introducing the innovative Solar Panel 660w, proudly manufactured and supplied by Jiujiang Xingli Beihai Composite Co., Ltd. What is a 660w solar panel?

The 660w solar panel is a high-efficiency monocrystalline solar panel available for wholesale and retails and nationwide distribution and installation here at Gennex. Monocrystalline solar panels have extremely high-efficiency rates that make them outperform others.

Who is St-solar (Shanghai)?

ST-Solar (Shanghai) Co., Ltd was set up in 2003 as a high-tech company, specializing in solar cell, solar module, solar system design, production and sales. Strength in hand, fearless of any challenge, the company has 800MW capacity of solar module (including mono, poly, bifacial solar cells and modules, as well as BIPV).

How efficient is a 660 watt solar panel?

The 660 watts solar panel has up to 21.6% efficiency rate, making it perfect for your domestic and commercial solar installations within Nigeria and beyond. We provide high-quality solar products, solar system solutions, and services to customers in all 36 states in Nigeria with distributors across the country for faster delivery.

Who is St solar?

ST Solar has own technical and more experience on solar PV. The management under the Japan standard to keep the high quality of the products. ST Solar's achievement of today is just one step in the beginning of a journey to achieve a dream.
