# **Wholesale transformer breaker in Uganda**

## Overview

---

Who is Steema transformer & electrical?

Steema Transformer and electrical Pvt Ltd (U) is aiming to become leading supplier and repairer of transformer and electrical in East Africa. Our first factory and service center in Africa was commissioned in Uganda Oct-19.

Does ECS offer transformer servicing in Uganda?

ECS can carry out transformer servicing on site, in any part of Uganda. Equipped with mobile servicing equipment, we ensure your transformers are well-maintained. Read More Design & Building: At ECS, this department is dedicated to assisting clients who require a little more expertise to produce something that satisfies their particular requirements.

Why do companies sell into Uganda?

Most companies that sell into Uganda view their objective as pushing containers of equipment. The resulting service levels are in line with that mentality. At Orion, our mantra is that we are selling “more than just a piece of metal” and view our product as a reliable low loss transformer operating on the grid and with after-sale care services.

Who are Orion Transformers?

"We have engaged Orion Transformers for installation and maintenance of both single phase and three phase transformers. They are professional in all aspects of electrical work and aspire to high quality standards in all their work and processes.
