

NKOSITHANDILEB SOLAR

Zambia Customized RV Solar System

Overview

Why should you choose a solar pump system in Zambia?

Zambia has one of the biggest water resources in Sub-Saharan Africa and our solar pump systems will enable you to access those resources at any place. Either for residential use, irrigation of farm land or industrial applications, solar pumps will ensure an independent water supply at your location.

Where can I get solar advice in Zambia?

Whether you need expert advice or high-quality solar products, we're here to help you make the switch to solar today. Office Number 11, Lonhro House, Cube 1 and 2, Cairo Road, Lusaka, Zambia. © 2024 Insolar – Zambia | We delight in giving you power.

Why should you invest in a photovoltaic system in Zambia?

Zambia provides optimal conditions for photovoltaic (PV) with average irradiation rates of 5.5 kWh/m². To harvest that huge source of energy we provide a wide range of photovoltaic solutions for the residential, business and social sector. In general, PV systems can be divided into on-grid and off-grid systems.

Where is Insolar located in Zambia?
